PROGRAMME

Over the course of the weekend we will study the Bible together allowing us a clear understanding of what God said to the world when it was written and seeing what it means for us today. Our Bible teachers are all excellent communicators and present the teaching of the Bible in a very relevant and helpful way. It will help you if you read through the relevant passages before you come. We will set aside time to respond to what we have heard in prayer and worship.

In addition to our studies, there will also be time to relax and enjoy the Kent countryside. The outdoor swimming pool will be available for use during warm weather.

FOOD

Our excellent cooks will keep us happy and fed throughout the weekend with a range of tasty dishes. If you have special dietary requirements, please let us know in advance. We are able to cater for standard and vegetarian diets, however, if you have a particular allergy beyond this we will see if this can be incorporated into the menu.
